Kick Out The Jams

Freestyle Records

"This is the greatest version of the song ever recorded..and I think Rage Against the Machine did a terrific job of it! Really, a prescient and insightful job."

MC5, Wayne Kramer

"Absolutely love it, great raw sounding production, playing out Kick Out The Jams & Red Raw in particular."

DJ Flevans

"Anyone who says this isn't the best new funk track all year wants workin' on"

MonkeyBoxing.com

"Dirtier and grittier than sex in a gravel pit, this inspired cover of The MC5's seminal garage rock"
