

Deep Street Soul

Look Out, Watch Out

Freestyle Records

"When was the last time we were this lucky? A totally slamming, raw chunk of funk that makes you wanna get straight up and dance on first listen. Plus an amazing version of Clarence Reid's"

Phil Gates, Funkalicious

"BLINDING...FITS RIGHT IN WITH THE PLAYLISTS ON THE SHOW!!"

markyredd, www.pointblank.fm

"Fantastic...A really great track.Funky As You Like!"

Ian Lythaby, Glastonbury FM

"Rolling bass line, raw funky drums, a driving hammond and May Johnston's screamy vocals - Fantastic return from Deep Street Soul!"

Ginger Tony, Solar Radio/Soul Survivor

"Gritty antipodean funk at its best."

Sean Smith, Tokyo Jazz Notes

"Bangin' funk from the new century!"

Markus Milz, Radio Corax 95.9

"The weather is heating up down under and so is this deep funk stomper. Look Out indeed!! It was never going to be an easy task but DSS have definitely done justice to the all time classic 'Masterpiece'"

dj strange fellow

"Bruisy and Gutsy!!!!"

Ketan Shah, www.back2backfm.net

"Her voice is so dirty I almost wet my pants! those drums are to die for too!"

Smooove, Jalapeno Recordings

"I will definitely be playing and supporting this release. Love the cover of Masterpiece!"
